“ Sincere condolences to the family of Kristin, from Don Drachenberg, as well as from the rest of the original TRIUMPHS. She was one of our biggest fans, if not THE biggest fan of our musical group. She attended many of our performances over the many years, and she always stood out like a "warm glow" amongst the audience and attendees. It was not an easy task, for her (as well as for her parents), getting to these performances, but, she loved being there, and she was always watching and listening with such keen attention.....and we always knew when she was in attendance. She is one fan that we will never ever forget! On a side note, I was raised in Needville, as was her Dad (whom I feel like I've known forever).... and, Kristin passed away on the same date (April 4) as did my DAD.... and, her scheduled visitation on April 15 is my birthday.
Don Drachenberg, and all the original TRIUMPHS.
