“ *Judy and the Ross family, I extend my heart felt sympathy for your loss. I have known Larry for many years and a better man you could not find. As I made my daily walk through the neighborhood, I would see Larry driving around in his pick-up. The last time I saw him I was walking in the rain and he stopped and offered me a ride home. My prayers and thoughts are with the family.*

“ I’ve known my Uncle Larry as long as I can remember. I was so proud of him being an officer of the law and telling everybody my Uncle was the Chief of Police for the City of Sugarland. Such pride I had in him. My best memories though were the ones where he was just my uncle. At our family get togethers you could always count on him to play cards. He loved it. He was also a very funny person. Always joking around. And he had the greatest smile. Always smiling. And when I needed anything I knew all I had to do was ask. If it was something he could do then it was done. I’ll never forget your smiling face and big hugs. Judy, Kathy and Kim and son-in-laws and grandkids and all other family members and friends, we were so lucky to have such an awesome person in our life. I will remember him always.

*On March 18, 2020, at 6:37 PM I lost one of my very best friends of 50 years. Larry and I were so much alike in some ways and so different in others but we shared a tremendous amount of life together. Working together and playing together we spread the good, the bad and the sometimes sad things in life but I couldn't have made that live journey with a more trusted, honorable and loyal friend than Larry. Thanks for sharing so much life with me and I will see you on our next watch. Love you brother.*

*The Kilgore family is so sad to hear hear of the passing of Larry. He was always smiling and helping make the world a better place. I remember him driving our trip to Mexico and Padre Island, and growing up just down the street. Prayers for peace at this time for Judy, Kim and Kathy and all the family. With much love, Kelea Kilgore Newhouse*
