“ I knew of Mr. Horigan when I first started working at HL&P, but really came to know who he was at the Connect center when he took over the SAP Implementation project. It was a priviledge working with him. I remember his retirement and how Jeanne and some of his family came up to partake in the event. What great, personable leader he was. I'll miss him and am grateful I got to know him and see him on a day-to-day basis.

“ *Jeanne and Family, We are sorry for your loss. I first met Larry in 1968 at the Cedar Bayou power plant in Baytown being constructed by Ebasco. I learned a lot from and always enjoyed being around him. Richard Alexander*

“ *Oh too fast it happened...oh how sad our hearts are; but oh Uncle Larry, how blessed we are to have memories from times & moments shared together etched in our minds. Our few visits to TX, your visits to MA, Telephone calls, emails, birthday messages, Christmas letters and of course photos and slide shows dating way back in the days, always kept us close. We will miss you and your "Uncle Larry smile and laugh" that we all know so well. Please know, even though distance separates our families, you, Aunt Jeanne, Debbie & Carole and their families, are in our thoughts and prayers and remain close to our hearts in this difficult time and always. Love you, Nancy, Tom, Brad & Rachel*
