“ *My papu was the best man. I can't even explain how much he loved his grandkids. He was one of our biggest cheerleaders and was always there to support us. We all miss him so much already, but know he is in a much better place. He fought so hard for so long and put up a good fight. He and my grandma did it together...we all got to enjoy him for more time than we thought we would, but his time has come and he is dancing and scratching lotto tickets up in heaven. I miss you papu, there's nothing I wouldn't do to have you still here. I love you. ❤️*
