“ My deepest condolences on your loss. I worked with Lee at the County Landfill and he was a joy to be around. He always had a joke to share and a positive outlook on life. I saw him many times after that at Lads in Needville when he would come with his grandchildren to get his raisen bread. he will be missed

“ Received the notice of Lee's passing today, Sunday. Lee, Lester and Sonny Man made a great impression on my life in 1948-49. I cherish the times I shared with them in 1 1/2 years. I have told the stories of our adventures and how close we were and how much the time with Lee, Lester and Sonny Man meant to me. I offer my deepest sympathy to Lee's family. Lee will live on as I continue to relate our many adventures together and how they helped form my outlook on life. God Bless,
