“ I just learned of Lenora’s (and Al’s) passing a few months ago. I loved them dearly. They were always so kind to me. When I was a little girl, I thought my cousin Lenora was Snow White, and she was like a fairy tale character to me. Lenora was kind and loving and took everyone in to her heart and home. Over the years I enjoyed many good times with her (and Al) and admired her willingness to celebrate the customs and traditions of the different people she met both in Texas and around the world.

“ Lee and Family,  
So sorry I was not able to make it to the service for your mother. Have very fond memories of your grandparents visiting us whenever they came through Victoria. Family was very important to the Midget side of the family. Your mother would periodically call me to catch up on what was happening with the family in Fordtran. Know there is a story about you & I eating grapes when your parents stopped at our home in Victoria when y'all had been involved in the wreck in Louisiana.
