“ *Hello, and my sincere and very belated condolences to the family of Leo Baudoin, he really seemed like a great old guy. Although I never met him, or any of his family, there is one thing that led me to this page - For many years, at my parents home in Vinton, there was a concrete step slab for the back porch that bore a name inscribed "Leo F. Baudoin 1953". I saw this pretty much every day of my life growing up in the 70s and early 80s, so it is etched in my memory, which I recently thought about and discovered this obituary page. At this time (2020), it may still exist, but was dug out and moved somewhere else in the yard. Anyway, the home is still in the family, my sister owns it, and the house is about 89 years old. If anyone has a historic picture or two of the old house on Vincent St in Vinton, if that was indeed a former residence of Mr Baudoin, that would be really cool to see. Any response is appreciated, email rust yg8@aol.com, Sam Burke of Lake Charles, La.*
