“ My God...where has time gone?

What a loss. I went to work for Leo in 1980 at the Service Center on Avenue H. He was the BEST BOSS I've ever had, even to this day. He would have given you anything he had.

I had moved away and hadn't seen him in over 20 years. I had heard he had cancer and was battling it. I saw him maybe 4-5 years ago at an auction given by Shorty Yeaman. It was a surprise seeing Leo, the cancer had made him older than he was, but he was still "Leo". He always hugged me, kissed me on the cheek and asked about my Mom. Always smiling...I'll admit, I had the biggest crush on him when I worked for him. He was such an "outlaw". I was speechless today when I heard about him passing. I wish I had seen him again before it happened. I will always miss him and remember what a "truly" wonderful person he was.

My condolences to the family...Sandra, Marla, Reyna...I don't know what to say; except I bet God's got a smile on his face...that's what Leo was all about. I will always SMILE when I think about him...

“ Dear Toman Family,

My condolences to the Toman Family. I had the privilege to work for Leo in the early 1990's. If it were not for him I would not be where I am today. He taught me that helping people in need was more important than the dollar made from them. I've always had respect for Leo and his business, I will be lucky to become half the person he was.

“ *Dear Sandy and Girls*
We are so sorry. Leo was a sweet big teddybear. We remember such good times in our newlywed days, and visiting each other while our kids were growing up. But he couldn't make SCRAMBLED EGGS for nothing! He would laugh at that. Hug each other for us and if you need anything - just call. We love you.

“ *Sandy, BJ and I were very saddened to hear about Leo. I will tell you and his family, and I hope that he knew, what an inspiration he was to my life. He was a football star, he drove the fastest cars, he dated the prettiest girl. All the things that I wanted to do. I have lost a friend, and I have lost my hero. Love, Jonny and BJ*

“ Our thoughts and prayers are with all of you. Leo was such a strong community and family man. He had a big heart and always helped those less fortunate. I pray that all the wonderful memories will comfort all of you and his inherited strength and character will live on through all the girls, including his beautiful granddaughter Katherine. Honey, how wonderful you were blessed with 50 years of marriage, I pray that those memories bring peace. Phil, you were not just a son in law to Leo, from what I saw you were a son to him and a very close friend. My heart just aches for all of you. Marla, my sister by choice I love you and you are in my prayers. Love, Kristin
