“ Our sympathy goes out to all of you I know you have lost a very special person in your lives. Your mom was one of the sweetest and most genuine persons I have ever known. My mom always talked so kindly of your mom. They both were from that Czech generation who believed in their faith, their family and their heritage. God be with all of you and hold close to the treasured memories you have of a good and loving mother. We will keep you all in our prayers.
Sincerely,
Ray Sykowski
