

## Lionel Medina

August 31, 1970 - November 15, 2024

Lionel Medina, 54, of Rosenberg, Texas passed away on November 15, 2024, after a brief battle with pancreatic cancer. Lionel was a very spiritual man who was devoted to his faith and was always willing to share His message, provide encouragement or sit with you in silence, whatever was necessary. He loved music and was a self-taught musician, who loved the guitar the most. He was a founding member of the Christian Rock band, Damascus. His other hobbies included cruising the Caribbean, car cruises and hanging out with friends, reading scripture & studying the Word and shooting pool. He had a love of animals (especially his poodles) and had a heart of gold.

He loved cars and was a Mechanic by trade, working his way all the way up from the Parts Department to Service Manager at one point. He was both a Master ASE Certified & Master Chevrolet Certified Technician, also a proud recipient of the GM Mark of Excellence awards and mentor to many who were entering the field.

He is survived by his loving wife of 30 years, Billie, their poodle, Honey, her parents, Judy & Carl Cangelosi, his parents, Maria & Antonio Medina, his brother, Samuel & wife, Yazmin, his sister, Raquel & husband, Patrick, his God Children, nieces and nephews, as well as many other family members, friends & co-workers.

Pallbearers: Kyle Marrero, Brian Bennett, Juan Ayala, David Alexander, Patrick Collins and Samuel Medina.

Honorary pallbearers: Cain Marrero and Caleb Marrero.

“ We are preparing to acknowledge your one-year anniversary by walking to fight for a cure. Every day this month has been a struggle, and honestly, the entire year has been difficult. Those who advise us to just move on with life have no idea what true grief feels like. I find myself caught in different stages of grief. It's so hard, it will take time, but as your sister who loved you dearly, I will never let go. Love you, brother!

“ *Lionel, I will always cherish the memories of God's Word, Music and Friendship we made as brothers in Christ. As the band Damascus we all made some great music and enjoyed matchless chemistry and friendship. Our families became each other's families. In fact, a lot of them jumped on for the great ride we had. The music is still timeless today and requested and listened to. Over the years I have been asked, "when you guys gonna play again?" Now you are rocking for The Rock! As Adrian stated earlier we will all join again and perform for The King of Kings! Love and miss you brother. I and Cindy are here for Billie and your family all who you love so much.*
