“ I remember going to Gr Grandma McCafferty's house and being excited about seeing Aunt Lois because she lived next door I also remember Fritz. I loved the way she would say funny things, like "Long Silver Johns" for Long John Silvers. Sweet Auntie L, I know you are in heaven and looking down on us all.

“ I have had the pleasure of knowing Lois for many, many years. She was one of a kind in only the best possible ways. I will never forget her for helping me with Gypsy, a pathetic stray dog I took in. Lois was one of the first people to reach out and be kind to her and to teach her that people can be good.

Heaven gained a true god soul. I have visions of her surrounded by all the people and animals that loved her over the years. We will miss you, Lois, but know we will feel you in our daily lives.
