“ Dear Family of Lorene Novosad:
Lorene and I were classmates in the Needville Schools and members of St. Paul's Presbyterian Church from 1948 to 1955. I was always impressed with her excellence as a volleyball player in high school. She, her brother Allen, my sister Shirley, and I went to many movies in Rosenberg as part of our youth group activities at the church. She and I lost contact in 1955 after we graduated. I was looking forward to seeing her again at our 55th NHS Reunion on October 9th but she was in the hospital. I thank God that she did not have a long period of suffering before she died. My thoughts and prayers are with you during this time of sorrow.

“ I am so thankful I was able to visit with Lorene at this past Hurta Reunion. I always thought she was so pretty and nice to everyone. She was taken too soon but I know you have so many lovely memories. Our prayers are with all of her family and friends.

“ I, along with many other friends of Patrice, Ken, Tim, Mike and Tony had the honor of growing up with Lorene as another mother. There are those that think you never want 2 mothers. Well with Lorene it was an blessing. She laughed, she cried, she prayed with us. Lorene and John celebrated the birth of my children with me. I am truly blessed to have known her here on earth and my beautiful daughter Bethani is blessed to have Lorene with her now in heaven to share in God's glory.

God bless you all and ease the pain so that the loving memories can unfold.

All my Love, Kathy

“ Mike, Ken, Tim, Patrice & Tony,
Thank you for sharing your mom with our family for all these years. She treated Lee and myself and our children like her own. Kirby, Coleman & Madi loved her like a Grandmother and she treated them like they were one of her own. Coleman still remembers her as Mrs. Grandma from 4th Grade CCE and said that was the best year ever! I'm so glad she was able to share and teach more about God's word to him. What a blessing she was to all of us. We will truly miss this wonderful woman who opened her heart and arms to us.

“ My heartfelt prayers and love for all of you in your loss. Lorene "Pep" was one of my favorite cousins growing up in Needville. She was special. When I was in Chicago for a meeting, we had a good phone conversation it's where I spent 3 years in seminary preparing for the Presbyterian ministry in early 60's. Then it was good to re-connect when I moved down this way again, as they did. One summer during my early teens, I spent a couple of nights and days picking cotton with the Hurtas. Blessings on you all, may the peace and comfort of Christ be with you!

“ *Our condolences to the friends and family of Lori. I know there are many special memories that will be cherished. I will always remember when I was next door at my grandparents Willie Mae & August Macha and Lori would always give my sisters and I a popsicle. Then when we had 2 boys of our own, she reminded me of the popsicles. She loved the kids and watching everyone grow up. She was a very kind and loving lady who will be missed.*
