“ Debbie, I wish I could be there with you just as you were there for me when daddy died. I thought about you and your family on Thursday after Dottie called to let me know about your father's funeral. I know this is all so difficult and the sadness you are feeling after loosing David, then your Mom and now your Dad. I know they are in Heaven rejoicing being together. You will always miss them but the happy memories will keep them close to your heart. My condolence to you and your family. Love you,
