“ As we walk Lupe home, it must be recognized that Lupe has lived such an incredible life. We are saddened by her passing, but we are so grateful for each moment we spent with her. And because she was that amazing woman who always tried her hardest to make it to all the events she could, from birthdays to baby showers, we have so many moments to relish in. Through these events, we were blessed with her sassy humor and her ability to make you laugh no matter what mood you were in. We are inspired by her. Her will to always push forward and continue fighting so she did not leave us behind, even when she was in pain reminds us to enjoy all the moments we have together. For that, we thank you Lupe. We love you.
