“ You were a great friend and neighbor. I’ll never forget your courage, your dedication to life, and your kind soul. You faced everything with such quiet strength, and it never went unnoticed.

*I’ll miss your smile whenever I’d see you outside, it always brought a sense of calm and familiarity. The neighborhood won’t be the same without you.*

“ As her daughter, I was lucky to know her not just as my mother, but as my safe harbor — always full of love and laughter. There was never a dull moment with mom. I'll forever remember her kindness and always putting others first. Our mom always found a way to make life fun. Her thing was ordering silly gadgets online and just being young at heart with her quirks and jokes.

*I'll never forget our road trips to Fredericksburg. They were always an adventure — we'd explore little shops, laugh about the silliest things, and somehow come home with a new piece of pottery or a plant we just had to have. Those moments were simple but meant everything.*

*Mom, your love and spirit will always be with us. We'll miss you more than words can say, but your joy and compassion live on in each of us.*

*Rest peacefully, Mom.*
