“ *My deepest sympathy for the family. One day soon, death will be swallowed up foreverIsaiah 25:8 and also Jesus promises, the hour is coming in which all those in the memorial tombs will hear his voice and come out...John chapter 5 verses 28, 29.*

“ *Lydia the news of your passing really took me by surprised...but after my tears stopped flowing I immediately thought about how you and I would talk at work and I would make you laugh till you cried....you were so down to earth....never mixed words and ALWAYS said what was on your mind...lol. Because of you I've added a new perfume to my collection "clinique". You had a heart that was so genuine....you will be missed but never forgotten....RIP Lydia..*

“ *The word Friends is a very over used word to define a relationship between two people. So when I say, I loved you as my friend and that I will truly miss you each day, it comes from the deepest part of my heart. When I think of you, I will think of all the laughter you brought to my life...so until we meet again my forever friend. May God welcome you with open arms and watch over those you left behind.*

“ I miss the way that your laughter so many times turned to tears. Now my tears will turn into laughter when remembering you and your silly self.
