“ *I have fond memories of my cousin, Bernice. I vividly remember trips to Arkadelphia to visit with him and the entire family, how he stayed by my Aunt Bea's side in her final days and the great times we had fly fishing at the campouse on the Ouachita River. On behalf of my Mom Evelyn Aud Walker and myself, our prayers are with each family member during this time. He is in a much better place, and all of us who are Christians will someday be reunited with him. I bet he and Uncle Roy, Aunt Bea, and Grandmother Aud have had a great reunion in the past few days.*

“ I am proud to say I have known Al Green for over forty years. I felt his love and support for many years. My heart hurts at his passing, but the Lord has called him into another kind of service. My love to all his children, Roy and Madelyn. I shall cherish his friendship for eternity. I wish all of you peace and wonderful memories.

“ How lucky I was to have known Mr. Green. I will cherish the memories I have of the Green family and all the fun we had in the "music room" while we all lived in Arkadelphia.
