“ *Dear Garza family, I am so very sorry for your loss. The loss of Manuel has left an empty space in our lives, but hopefully we can fill that with the wonderful memories we have of him. I know that I'll always remember the fun times I had as a child, playing tag and hide and seek with Manuel. He used to throw Anne and I into a fit of giggles as he would pop out from his hiding place and chase us around the house. He was the big brother I never had. I hope that you find peace and comfort in the legacy he has left behind.*

“ *Hi, Little Manuel. I didn't think I'd have to write something like this so soon, and it all makes me sad. I think the proper language to express my thoughts will be in Italian: Mi manchi. The literal translation is "you are missing to me", and that is the only thing that conveys the distance between you and me, and everyone else, now. May you enjoy fishing and barbecues wherever you are. See you on the other side.*

*Lots of love,
your cousin Lauren*
