“ My most sincere sympathy to family, friends and loved ones for your loss. I was so saddened to hear of Marcus' passing. We spent a lot of time together growing up and all through high school. He was a really good friend during that time. I cannot think of a time spent with Marcus that wasn't fun and where we weren't all laughing. He was such a great guy. Though almost all of our time together was more than 40 years ago, I still feel like I just lost a very good friend. May he rest in peace.

“ Prayers and heart felt condolences to Gary and Karen and the rest of the family. I know you are all hurting. I went to school with Marcus from elementary school through high school. We played football together and even played along side each other on the offensive line. I always knew Marcus to be a good person with a big heart and a good sense of humor. He could make anybody laugh. May he rest in peace.
