“ It was with a sad heart that I read Marella's obituary. I have such fond memories of her as a sweet first grader at Travis Elementary. She was a beautiful child inside and out, and I know that she turned into a beautiful woman. She always worked hard for me, and we shared many secret looks with each other when she would "go to sleep", then "wake up" shortly after, and no one knew, except the two of us! My sincere condolences to Minnie, Christopher, and the entire family. God bless and comfort all of you.

“ I met Marella at Texana. She was very quiet when I first met her, and we started talking, and later became friends. Not a day passed that she wasn't in my office, or I was in hers. She will truly be missed. I miss her so much already, her smile, her laughter, her kindness. I could go on, but I'm just too emotional right now. May you rest in peace my friend.

To the Family

Sorry for your loss. I know one day when you're thinking of her, you will smile again. God Bless

“ I met Marella about six months ago when I first started at Texana. She was very quiet at first but we started saying good morning to each other. Ever since then, we'd always share a lil small talk in the break room or in the chart room. She was always so sweet and I wish I had more time to get to know her better. Rest in peace my friend...

“ Dear Minnie, I have been so saddened by the loss of your daughter. I did not know her but I know you raised a great daughter and a Christian. My prayers are with you and all her family. I cannot even begin to fathom your sense of loss. God is so good, although at times like this we may wonder, why her? but he will send ministering angels to comfort you.
