“ Margaret was such a blessing to my Mom, Leona Fagan and to all of us. She always took time to say "hello" or give us a hug. I will personally miss her smile when she saw us. Our family is so thankful that we got to know her and her mother at SPJST. Margaret will be dearly missed but we rejoice that she is home in Heaven with her family and friends. To her family, may your wonderful memories comfort you and keep you smiling when you think of her. Lord bless you!

“ I have many fond childhood memories of my cousin Margaret. When was I very young, Margaret cared for me and my sisters at our home while our mother had an extended stay in the hospital. I never forgot how kind and caring she was. She never changed in adulthood. It seemed effortless for Margaret to connect with all ages. Although I am 10 years younger, I never recall Margaret treating me differently than anyone else. She was a beautiful person, inside and out. Donna and I extend our heartfelt sympathy to everyone that loved Margaret; especially to her children, grandchildren and siblings.

“ Margaret has been an awesome sister in law to me for over 40 years. As a person she was kind, sweet, loving, caring and had a beautiful heart. She loved Jesus and was faithful to Him all her days. She was always there for all her family, children, grandchildren, sisters, brothers, her mother and others during any circumstance. She even cared for the many residents at the rest home where she devoted her life to helping others. She was always so busy but always with a smile and a hello and a time for a chat. Her family adored her and she them. Her green thumb shows in her yard as she worked with her flowers endlessly. She reminds me of a butterfly fluttering and hovering over all the beauty she has created. I'm sure in heaven her mansion yard will be covered with more beauty than she has ever seen. Take joy, sweet Margaret, in your heavenly garden and rest. You were a strong woman and carried yourself in all things. You fought the fight now live the eternal life with all the loved ones who have gone before. I can hear Jesus say... well done my good and faithful servant. One day we will all be together again. Your sister in law... Barbara Vacek

Margaret and I were first cousins. Back in the early 1950's the Vacek and Stavinoha families would usually spend Sunday afternoons visiting. The families usually rotated from house to house. I always remembered being at Aunt Annie and Uncle Vince's house. Our Moms and Aunts always fixed a light Sunday afternoon lunch that consisted of sandwiches pickles, cake cookies, etc. and coffee.

The adults were served first and then all the kids. Afterwards all the clean up was left to the older cousins. Of course in those days there were no paper plates or cups. So there was a lot of dishes to wash. The clean up was left to Margaret, Catherine, myself, Jeanette and Bernadette.

Margaret had to be the fastest darn dishwasher I knew. All of us girls appointed her as Chief Dishwasher because we knew she would get it done in a hurry and then we could go play again.

Of course, Margaret was so fast, it took three of us drying the dishes to keep up with her

I will always remember those good times.

Rest in piece sweet Margaret.

Eddie and I will always remember Margaret. She was as beautiful inside as out. We were surprised to hear she had passed and so sad we had not had a chance to visit more often. Margaret and I were first cousins on the Bienek side. Her presence will truly be missed by all that loved her. Sending our prayers and thoughts. Carolyn Pekar Heatwole and Eddie Heatwole
