“ We are so deeply sorry for our loss Maria, was my cousin who I never really got to know. I do remember going to her parents house in the country, across the Brazos River in Rosenberg. As we have gotten older, our family has grown and we have lost contact of each other. It's sad to say that it takes something of this nature, to bring us together. I love ya'll, especially my Aunt Rebecca. I will keep the family in my prayers, May our Father God, bless the family.

“ It's funny how we take things for granted and somehow just assume we'll be here or maybe we'll see her later or we'll chat on FB real soon. Marie, I know you're up there chatting, visiting and enjoying the wonderful company of The Almighty. You were indeed a friend I will cherish forever. I have wonderful memories from high school...your beautiful smile, those beaming rosy cheeks and that contagious bubbly personality of yours will forever brighten my day and just knowing I had the privilege of calling you my friend. You will be missed. My sincere condolences to the Jimenez Family.
