“Helen we were great friends for 26 years and you inspired me to be a better person. I have never met a more loving, caring, and generous person as yourself. I will cherish all the memories of the times we went fishing together. You were the best fishing partner ever. If there is fishing in Heaven, as we talked about, remember, it's catch and release only. I will miss you for as long as I live, but one day, we will meet again.
