“ Adell, I am so sorry for the loss of your mom. I no there is nothing that hurts more than the lose of a parent especially a mom. But no she is surrounded by angels and is free from suffering..My prayers are with you and your family..

“ We share in your sorrow in the loss of Marie. Mama particularly has shared many good times with Marie and has wonderful memories. If it were possible, she would attend the service; but since she cannot, please accept our condolences.

“ Aunt Marie was always trying new recipes...she was the "first one on the block" with so many recipes...dirt cake with gummy worms, banana pudding made with sweetened condensed milk, different dips and cookies. She was such a sweet soul and always remembered my birthday. May she rest in peace and share her recipes with everyone in heaven.

Love,
Melba

“ I remember her laugh coming from the backroom during the Herald-Coaster days when she and Betty Humphrey would outdo themselves in trying new recipes. And yes, I remember my visits to their farm and talks about windmills, canning and family.

“ I remember the first time I met Marie. Dominic and I had been dating for a short time and it was my first Zuckero family reunion. She welcomed me with open arms and a loving heart. She made me feel part of the 'family'. I will miss her smile, her gentle spirit and her love. I think of Marie and I remember how her eyes always lit up when you entered the room, always happy to see you. I love you Marie and will miss you.
