“ *I'm so very sorry for your loss. Words seem inadequate. Mark was a kind and supportive friend and colleague, but he leaves behind a legacy of love and kindness with a smile that would light up a room.*

“ *My deepest sympathies to Mark's family. I had the privilege of working for Mark for five years. He was a great boss and a fantastic guy. He began every conversation with "What's new with you?" because he really cared about the people he was responsible for. He was always on the look out for new premium ice cream brands to recommend to me because he knew I loved them and because he already kept watch for ones his family would like. That is the type of guy he was - always thinking of his family down to the very fine details of life. He was so proud of his kids. He will be so missed.*

“ *My dear brother Mario,
You are loved, respected, admired. You filled our home with joy when Mom brought you home and brightened our lives forever. Your dedication to your wife Theresa and your children, your devotion to your parents, your success in business will never be forgotten. As you grew up in Chicago and Oak Lawn, IL you excelled in school and playing on the Tennis team. We visited museums, the zoo, Cub baseball ..Then the University of Illinois where you studied accounting and volunteered at Cultural events. Your first job in a "Super Eight" Accounting firm is especially memorable. On a business trip, you escorted your 5 year old nephew Eric on a solo flight to to see his grandparents in Florida. Your move to Arizona let us share the sights of that state with you. So many wonderful memories...your wedding celebrated in Chicago, IL and Mesa Az. Then baptisms, where you and Theresa were godparents to Ross and Rick & I were godparents to Nicholas...and the birth of your twin girls Kirstie and Carissa, and many other happy family celebrations...You will be missed...As I dry my tears, I know that you are in heaven and at peace.
Love always, Your sister Anne Bruno-Herseemann, Lake Barrington, IL*

“ Had the pleasure of working alongside Mark for several years. He embodied everything from how to live life as a role model person and leader. I always admired his can do attitude and genuine care about people and family. The last memory I have of Mark was that big smile on his face in Hawaii and giving him a big hug congratulating him on a successful year. Thoughts and prayers are with family and colleagues through this challenging period. May peace be with you.

“ I am in shock with the passing of Mark and wish the family and friends comfort and peace during this difficult time. I had the privilege of working alongside Mark for several years and he was the consummate professional. Mark understood our challenges but always focused on the solution. He had one of the most difficult region leadership and he never complained but rather kept working and working to get things where they needed to be. And always with a smile and a "let's get it done" mindset. It was a joy to work with Mark and can only say my life is better having known Mark. Steve Kunkle

“ It's been my privilege to know Mario through St. Jude Shrine. He never failed to greet me with a smile and ask about my family. I was always impressed by his calm, reserved demeanor and the way his hair always looked perfect. But, reading his obituary today with all of his accomplishments, I'm speechless, because I know I never would have heard it from him. Look up the word "gentleman", there you'll see Mario's picture. God just took him home to give him some rest. My sincerest condolences to Theresa and his family.

Peace to Theresa and the entire family. I grew up with my cousin Mario and he was always good, fun and smart. We were at the University of Illinois together for one year when he was a senior and I was a freshman. He gave me great advice that changed my life in a significant way. Mario was also very kind and compassionate. Peace and love.

“ I was very sad to hear the news of Mark’s passing. I worked for Mark when he was the Finance Manager for the Drilling group at BHP. He was such a genuine, caring person, and I remember his warm smile. One time, he and I made a business trip to Louisiana to go visit the shore base. I remember him telling me that when the work trip was over, he was looking forward to renewing his wedding vows with his wife. It was clear how much he loved her and his kids. He will be missed. I pray that God will comfort the family during this difficult time.
