“ This is Judy Hoffart Odom, Aunt Margie's neice. Margie was like a mother to me and I am so very, very sorry that she has passed. Every summer I loved to be able to spend a week with her and her family!! Ted was and will be her baby forever! He unselfishly took care of her during her time of need. Donnie (sorry Carl but I will always call you Donnie). You are the oldest and like a brother to me. I know that you loved your mother very much. But like me you had married and moved away but you were a good son and called Margie every week and checked on her and visited her as much as you were able to. I consider you and Ted as my brothers. So, from my heart to yours I am deeply sorry for your loss. Yvonne was like a sister to me and we spoke to each other just about every day and I deeply miss her. Katelyn, you were the best grand daughter anyone could ever wish for. I know that you attended church with her as much as you was able to! I love you Katelyn!! God bless you all and be with you and I know Margie will be an angel for everyone of you to protect you and love you from Heaven.
Love you all!!!
your sister,
Judy
