“ Kenny, Sharon, Mark & Dana, You have my deepest sympathy with the loss of your Mom. I remember that your house was the central hangout for us kids in the neighborhood, and your Mom was always there, kind of a second Mom to all. I miss her & your Dad stopping by to talk to me if they saw me out on the driveway. They were the first to welcome me back when I moved back to the neighborhood and will be missed by all the neighbors. Hope all your great memories will help you through this difficult time.

“ Aunt Margie was always such a delight to be around. I have so many great memories of Margie. I must have been 10 years old when she showed me several shoeboxes filled with tchotchkes and memorabilia from her and Uncle Ed's travels. It inspired me to one day travel the world, which I have certainly done a lot in my adult years. I will also never forget that Aunt Margie always had Goldfish crackers in her pantry! I loved these and still think of Margie to this day when snacking on a few. When Grandma Vincik gave me the secret family recipe for kolaches, Margie was so excited that one of the boys in the family would be helping to pass down our honored tradition. Margie lived a beautiful life. Big hugs to the family.
