“ To Mark's Parents, Family and to Mark's Wife Angie,

I'm a Sales Manager for one of the vendors, NexLight, that Mark represented for several years. I just wanted to write you a note to let you know how sorry I was to hear about Mark. He was an individual that I had grown to respect a great deal. A man of rare qualities. When I think of Mark, I think first of integrity and then of intention. Mark was someone that genuinely cared about people and never came off as insincere. He was a very talented individual indeed.

I feel badly about his passing and really want you to know what a good person others outside your family thought he was.

I plan to continue working with First Electric. I will do my best to continue my small part of what Mark worked so hard for.

I know that you will miss Mark. I just wanted you to know that I will as well. My heart goes with you and with Mark. God Bless you

Warmest Regards,

*Michael Betz

“ Dear Gene and Boshart Family,
Our deepest condolences. We will miss Mark. He was always the happy and optomistic guy, enjoying his work and willing to go the extra mile; always doing the right thing. Although our times together usually involved business, we considered Mark one of the good guys and always a very good friend. I particularly enjoyed finishing up our times together talking about life in the country and growing pecans. Our hearts and prayers are with Mark and with all of you.
