“ A truly unselfish and loyal friend , Mark was a man of integrity and principles, always willing to help his fellow man and totally committed to making a better life for his family. In knowing Mark I came to believe that good people can be sent by God to help when you least expect them. I will forever remember and celebrate his friendship and life as he left an impact on me that is positive and lasting. A brother in life's journey who I thank God for and pray for peace for his family. RIP Mark , your friend forever Gene , will see you in heaven.
