“ Sharon, I read about Mark's passing today in the paper and wanted to express our sincere sympathy to you and your family.

We played golf at Pecan Grove for 5 years until we retired and have lost touch with many.

Again our deepest heartfelt sympathy to you.

“ To the Family of Mark Jeffers,

I saw the obituary regarding Mark's passing in the newspaper today. I wish to offer all of you my deepest condolences.

Mark was my roommate at LSU in 1968; he was also a fraternity brother. Further, we both worked at Amoco; but, not at the same location. One of my fondest memories was Mark winning the 100 meter butterfly in intramural swimming to clinch Sig Ep's first athletic sweepstakes trophy.

I noticed that Phil Jeffers is also deceased. He was another fraternity brother though quite younger.

Once again, I am deeply saddened.
