“ I simply cannot write about all the things we did growing up together. Needless to say Mark was always in our little group in the neighborhood. He will be truly missed.

“ I was shocked and saddened to learn of Mark's passing and know your family is in our prayers. It has been years since I have seen him, but we went to school at Terry together and will always remember the times before school in the hall way at Kicker corner, racing trucks, & all the trash talk of who had the fastest truck among the group. regardless if we wanted or cared of that designation or not. May he rest in peace seeing his family, friends we have all lost, and my late dad-Rudy-who passed last March-they always gave each other a hard time and kidded around in younger years. . “ I am saddened to hear of Mark's passing. I always enjoyed working for him. He always made me laugh. He was always patient and eager to help out anytime I called on him to get his advice on a job, even on his days off or the weekend. I'll always remember and appreciate what he did to help me in my journey. He will be missed, but his memory will always carry on.
