“ My deep condolences to Marla’s mom and dad and if course Nicholas. I am so very sorry for your loss. I still can’t believe it. I find myself remembering all the times together with Mike, Marla and Nicholas. It’s really a rush of memories. Each one a special snapshot. Dinner’s out at so many Mexican restaurants! Cafe Adobe, Ninfas, Lupe Tortillas and of course Molinas! Lots of margaritas with Marla. So many times dancing at Sherlocks (Rat Ranch!!) when nobody else was up for dancing, I ALWAYS had a willing dance partner in Marla! We would walk off the floor sweating and then another good song would come on and off we went for more dancing. The trip we all took to Padre Island and we flew with so much turbulence. Marla said “ I am driving back” and she did. All the Super Bowl parties at her house. She was the best of host! She always asked about my wife and son. I will miss you Marla and am so happy I had the chance to meet you! You are a special lady. RIP Stephan

“ There are no right words to ease the pain you feel. Your daughter and mother to Nicholas was such a beautiful presence in this world. Her soul has moved on, but she will always be with you in memories. Our hearts ache for your family. Marla brought tremendous love and light in this world and We are better for having known her. We will miss her presence when we come to Texas. Please know we are thinking and praying for you during this time. Please let us know if we can do anything to help you during this difficult time.

“Aunt” Marla was always someone I’ve been close with and was like a second mother to me at times. She was a beautiful soul inside and out. She was an independent women with a beautiful heart. We had many conversations and laughs together. Marla was someone that would always lift you up. I was broken to hear this news.

My cousin Nicholas- I will always be here for you through life! Marla loved you so much and you were her pride and joy. Prayers to the family and you are in my thoughts.

Until we meet again Aunt Marla.

“ For once in my life I’m speechless. She was my best friend,she was my sister. She loved her son and her parents with all her heart. Loved her pets,life and music. She was always the calm one, I was always the crazy one. Who’s going to talk me down off the ledge now. I miss her with all my heart and will always be there for Nicholas,the son she was so very very proud of. Til we meet again my dear friend. 💔

“ Dear Mr. and Mrs. Mauldin and Nicholas,

I had the honor and privilege of having Marla as my best friend since 5th grade. Although I am filled with a loss and my heart aches so terribly, I can just hear her now, "Sister, you need to stay positive!" I have many fond memories of our friendship that I will embrace each time I am missing her. I just can't imagine my life without her. I know, you are heartbroken as well. She was an amazing woman who made me a much better person. My sincerest condolences to you. I hope the happy times you shared with Marla will embrace you, too, as you mourn her loss. Until I met her again, I will honor her with celebration and focus on "being positive"!

Love you all!
