“ *Melissa, I just learned yesterday of the passing of your mother. Although my relationship with your mother was brief my relationship with you was a third daughter that God had blessed me with. I could never take the place of your mother. I know that I cannot take away your pain, but I am an ear to listen, a hand to hold, a heart to share, a friend who cares. ALWAYS know that you are NEVER alone. My love, thoughts and prayers are with you.*

“ *The Schwer's,
My deepest sympathy extends from our family to all of you. You were like a second family for some many years, that I will forever cherish and hold deep in my heart.*

There are so, so many memories...as a new mom in 1994, Kyrsten and I road-tripped to PGH for the first real visit to the famous "119." Kyrsten was only approx. 3 months old and still waking up all the time. I walked into the kitchen at "119" to find Mrs. Schwer spoon feeding Kyrsten cereal. I told her the Dr. told me no cereal until 6mo. Mrs. Schwer came back with something to the effect "doctors don't know it all like they think,trust me.....I have raised 6 kids" as she was chuckling. I certainly was not in a position to argue. She also fixed all the bottles so cereal could also be added to the milk. Well... it worked and I stuck with her teaching from that day on....

Mrs. Schwer was simply awesome in so many arena's and I will forever remember her and hold ALL the memories of her close.

May God be with you all.....

“ *Dear Schwer family,*

Just heard the news from my Dad, and I wanted to tell you how sorry I am to hear about Mrs. Schwer passing away. I have extremely vivid and fond memories of the kindness that she and your entire family exhibited towards me and my family during the Pleasant Hills days.

I personally will always remember Mrs. Schwer as treating me with so much respect and love, no matter how ornery my teenage moods dictated, and I remember wishing that all adults were like her in that way, in terms of patience and simply being in my corner with her never ending support.

I will always smile when I think of her, as will the rest of my family, to say the least.

*Hang in there...

“ *Schwer Family,
Marlene will be greatly missed especially her warm and caring personality when she would volunteer for Family Promise. My prayers are with the family during this difficult time, but know that Marlene is in a better place and is spreading her love in heaven.*

“ Martha I am very sorry to hear about your mother especially being on Halloween. I lost Richard on Nov 1 twenty years ago. It was difficult to get through this past weekend too. I know Collin and Chelsea will miss their grandmother very much. Always remember the memories you had with her and may God be with all you in the days ahead. Mothers are precious to us all. May all of you be careful and have a safe trip to PA next week. Tell your brothers and sisters I will be praying for all of you as you endure the other service next week.

“ Ed and family:

I was deeply saddened by the news of Marlene's passing. I am one of the many lucky people whose lives she and all of you touched. "Mrs. Schwer" was a second mother to so many of us growing up on the Crestview Dr./McClellan Dr. axis in Pleasant Hills and your home a second home. Although I never took the time to say thank you, I'll carry my fond memories and gratitude to her with me forever. I have faith she's in a place now where she sees and understands that. I pray that the knowledge of all that she gave and what she meant to so many will help sustain you through this difficult time.

“ Ed,

Words can not express how important both you and Marlene have become in our lives. You both were so important to Jody and I and our boys. We will miss Marlene terribly. Please know that we are here for you in whatever you need.

We love you!

Jody, Kelli, and Ryan Maas

I don't think that I will ever forget that when I came to visit her in the hospital that she said, " Kelli I guess this means that I can't watch Cole." She watched him once a year during his conference time and then we would go to lunch.

Marlene was always helping people. She has blessed so many lives that I hope we can all follow in her footsteps.

“ My heart is heavy and my thoughts and prayers go out to the family. I know that you miss her, but know that she is with her Lord in a beautiful place that God has chosen for her. I thank God for the time he gave me to get to know her in the short amount of time that I assisted in taking care of her.
