Your Mom always put a smile my face. She loved life and loved pretty clothes. She was a pretty lady inside and outside. I loved your Mom!*

“ To Marla and Danny,
Please accept my sincere and heartfelt condolences at this most difficult of times and please pass along these feelings onto your family. There is a great emptiness left by your mother's passing, but I'm certain that the strength of the love that you and your family share for each other and for your mom will get you through this difficult time. May that love honor her memory and may you cherish the time you had together. I have many fond memories of my time with your mom. I will always remember her wit, humor and fun demeanor. A fun time was had by all when Martha was involved. I leave you with my favorite biblical verse - Give all your worries and cares to God, for He cares about you. - 1 Peter 5:7
My love,
Dana
