“ I have wonderful memories of Mrs. Macha when Jeanette & I were in high school. She was always funny and smiling and laughing -- and she kinda liked to be in on our conversations. Of course, I understand the last part a little better now! When we had sleepovers at her house, there was always plenty of snacks. And I remember getting to go to Catholic Church with them. I loved every minute of being around the Macha family, and Mrs. Macha was a big reason for that! So many wonderful memories ♡

“ I remember Martha playing 8 bingo cards at Young at Heart at Holy Rosary. I always wondered how she did this when I was 20 years younger than her and I had trouble with 2 bingo cards.
