“ Happy Birthday my brother!! I love you and miss you!! Not a day goes by that I don't think about you and mom. It's been a hard road but thank god I made it. God has been on my side. I still have my good days and my not so good days. I think of you all all the time. Some days are lonely and some aren't. But all in all god has me. I just wanted you to know I still think of you big brother. Until we meet again I love you and continue to ask god to bless us and keep us safe.
