“ I have alot of memories that keep you alive in my heart. The fondest ones being when we were little and playing in the pool, where you got your two front teeth knocked out by running and hitting the water spkiket. And of me being a teen and you always following me and being a pain, hah. You loved me i know. Of you stealing mamas ciggertees, even though we both hated the taste, and most recenly, the fact that we both admitted we saw the easter bunny long ago at nanas house. We laughed alot about that. And seeing you at lupies, drinking shots and enjoying your company. You getting pictures of daddy from me so you could get that Indian tattoo of him, which He would have been proud of. I have so many more. I miss you every day.

Love Lisa, more like your sis
