“ Aunt Mary was my favorite of all my Aunts. We had so much fun together over the years. She left me with so many fond memories. After my parents divorced I spent a many of nights with them. She taught me how to cook, clean house & iron clothes. Back then they even iron the bed sheets. After I got married we became best friends. We spent a many of weekends together having fun. She is in my heart & will be missed until we meet again 💕🙏
