“ *"MARY NELVA" was a special first cousin! She had a special place in my heart as a child. She was a true romantic and visionary. I learned from her poetry , art, and respect for nature. I will always reflect upon our summer outings together near a spring at and around the Old Farm House in East TexasBodenhammer Place. I will forever hold her dear in my every thoughts! She was about love and respect for her family and nature. Praise to her life! and Peace to her Family!*
