“ My childhood is filled with our neighbor's, the Orrs. Mr Orr and his ham radio and Mrs Orr doing ceramics. Going to the Denver Assembly of God...spending the night..Mrs Orr calling Lora for supper. Years of memories. Years of smiles. I loved Mrs Orr. I'm so sorry. All I can think of is the reunion she and Mr Orr had and she is with our Lord and Saviour.

“ Sister Orr was such a special person. As a youngster in her ceramic class at church I was amazed at her ability to make such beautiful things out of paint and clay. She was a delight to be around as she treated everyone as if they were the only one in the room. I was the youngest there and if I messed up my paint or crushed the piece I was working on she would always come to my rescue without making me feel bad. She blessed so many and will be truly missed.

“ This is too my Aunt Mary! you have been there there for me since I was a little girl. I guess it was good that Lora and I were born so close together. We played went to church and it seem like every time I had and accident you and Uncle Robert were there. We had a lot of fun at your grandma and other place we went. Especially church. Although I feel a sadness in my heart I know that your are with all the family in heaven an having joyful time. Your love will always be remembered by all the lives you have touch and you are a true angel from God above.
