“ I have known Mary Lou since the late 1970's when she and her husband were in TX and OK, For all those years we have kept in touch. She was such a wonderful person, taking in her granddaughter Mariel and caring for her. She was loved by all who knew her. Sadly I hadn't seen her in years, but for the last few, have kept in touch through Susan. I am so saddened at her passing. I am sure she is bringing smiles to everyone who also have crossed the rainbow bridge. She will be missed by me and all. Ann Ward

*Mrs. Wallace (as well as Mr. Wallace) made a big impact on my life as a young Man in the late 70's. She was always encouraging , she was someone that I could talk to, she would give me her honest feedback in an effort to help make me a better young Man.
Rest In Peace Mary Lou, I have a lot of fond memories of you!*

Susan, I am so very heartbroken and feel for you. God Bless you and your family. You, your Mom and Dad were such a big part of my life growing up. I will never forget the mayonnaise bologna sandwich your Mom made me eat at the lake. I know that sounds strange but I wouldn't eat mayonnaise for anybody. she gave me a "look" when I said I didn't like it. Well, I ate it. Rest in Peace Mrs.Wallace

Mary Lou has been my best friend for longer than I can remember. Over the years we have traveled together, exercised together. We had fun in Vegas and did a little gaming , We visited as often as we could and enjoyed at least one day in our pajamas.

Hawaii was one of our favorite places to go to and we left a little of Karen there. We were always thinking 😊 of each other and I know I will see her again.

Mary Lou was a very giving person to every person she knew and never asked for anything in return. I loved and admired her and she will always be in my thoughts.

Even though my relationship with Mary Lou started out as a contract bookkeeper to assist with her financial records, that relationship soon blossomed to a friendship that I will never forget. She was a beautiful lady, both inside and out. We enjoyed going out to lunch after shuffling papers. I loved the stories she shared of her past and present. My memories of Mary Lou will always be treasured.
