“ *Mama, I miss you. These last couple of weeks have been difficult at best. My comfort comes from the memories I have of you and knowing that you are with Jesus now. I love you and can't believe you're not here anymore. One day we will be together again. Until then, you'll be in my thoughts and prayers. Love Shirley*

“ *My Dear Mother, We all love you and will miss you greatly. We knew how things were towards the end and are glad you are resting and we are all at peace. We granted all your wishes, that we knew of. I know how much you enjoyed the casino and playing the slots, so the next time we go I'm going to play a coin in the \$5.00 machine in your honor. We all promise to take good care of Daddy*

“ *You laid there in the hospital bed, you tried so hard to hold on. God wa you home. He needed another angel to help pour out the rain. Tears ha fallen, hearts are shattered, but it's time for you to fly home grandma. \ loved one came to say their goodbyes, to tell you they loved you, and t was going to be okay. You will be forever missed. As your heartbeat st and your eyes closed slowly, god took another angel home. RIP Grand love you!*
