“ *Hey, Mommy. It Jasmine.... I miss you so much and I wish you were here.*

Bella has gotten so grown up and I know you are so proud of her. I know her heart hurts for you every single day and at night she cries for you. I don't know if we will ever heal from losing you mommy, but I know we have to try. We are both about to start therapy and try to heal from all the trauma we have. I know you would of supported us on this. I wish so many things mama but I know you are in such a beautiful Heaven that you don't ever wanna come back to earth. I wouldn't blame you, I hardly wanna be here.

I just wish Heaven had a phone so we could talk everyday. I miss your voice, I miss your hugs, I miss our conversations and our crying sessions. I just miss YOU in general.

I wish we had more time than what God gave us, but I know I can't ask questions. God plan is always the perfect time.

WE LOVE YOU SO MUCH!!!!
