“ *I am so very sorry to hear of her passing. 😞 I have many good childhood memories of growing up next to such wonderful people as Greg and Missy. I only find comfort in the fact that she is flying high with Jesus now and can look down upon us and watch over her family. You will be missed dearly.*

“ Missy was one of my clients at Parkland Kennel way back when. She then fell in love with my poodles and has a toy poodle I bred. Cesar, I think? She was always so sweet and friendly and friended me not too long ago on Facebook. I had no idea she had passed away.

“ Our hearts go out to Greg, Sarah and the rest of the family. I was fortunate to get to know Missy through texts and Facebook messages over the last few years. She was always one of my biggest supporters and I will miss her sweet messages. Her faith was strong and I am positive she is now in Heaven. God bless!
