“ George, Becky, Angie and family. My heart is hurting for you all. Melody was such an inspiration to me. She was a "stand by your man" type wife. You could find her in her immaculate house, out in the barn, volunteering with Youth and County fairs, going with George to his School and FFA functions, teaching our 4-H youth how to become better individuals and being the BEST Mom and Grams. She was one of a kind with the most beautiful smile. She was stronger than she knew and such a fighter. Rest in peace my friend, knowing you were escorted to Heaven by an Angel who will stay by your side. You will forever be missed.💕💕

“ Brenda and I send our sympathies and blessings to the family. Melody was a great inspiration to the youth of our community. I remember we always joked about the time spent at the Youth Fair and our saying was "We are having fun at the fair". If we said it once we said it a thousand times, this was to help get over some of the trying issues we faced in putting our efforts into making the fair a success. We will miss her tremendously!
