“ *Your mom/meme was a one of a kind angel for each of you! Always a smile and something funny to share. Always so very proud of her family. God STILL makes people 'the way he used to', but people don't always remember all of the gifts and blessings HE gives us. Your mom did! Through out her life, she lived the virtues of kindness, thoughtfulness and gracefulness. She shared these gifts with everyone! Her cooking, her jokes, her ever present smile will never be forgotten! God is well pleased with her and has truly welcomed her with a smile and open arms. She will never be far from your hearts . With deepest sympathy, John, Lynette and family.*
