“ *Today, I was soo saddened to learn that Mike has passed away. He and I became good friends the day we met at a dinner meeting several years ago and, I knew that day that we would remain friends for a long time. Every time I traveled to Houston for work, Mike would make it a point to stop what he was doing and meet me for dinner. We would sit and chat for hours mostly about his nephews and family. We would also share life happenings both the good stories and the challenging. He introduced me to crawfish and other foods that I had not ever eaten before. He made me laugh over the silliest of things just as I made him. We were like two little kids without a care in the world. He was a very good man, friend and someone that I will never forget. Though my heart is heavy, I pray for his family and nephews and hope that they know just how much he loved each and everyone of them. They are truly blessed to have so many years of memories with Mike just as I am blessed to have the few years that I have and will forever cherish. May god bless all of you. Love and miss you Mike. “ *A better neighbor I've never had. In the 3? years of living next door, we had readily become friends, confidants. and unofficial family. What strengthened our relationship was our love for our 4 legged best friends/children. Though I was already aware, Mike would often tell me I could put Layla in the back yard to play and swim with Aleric and Freya. We miss you Mike and can only hope our next neighbor is half the friend that you were.*

“ Mike was a true friend and brother in life to me, he always had a kind way and a encouraging word, he always would lend a ear to make you feel better.
He would go out of his way to Help anyone even a stranger, a unforgettable Smile that would make anyone's day better, we spent time hanging out by the pool just to talk about a motor cycle ride or just kicking back a beer, laid back & easy going he Loved life and his Family an Friends, Lets not forget his Dogs they were a big part of his joy and devotion, the disbelief that my Friend is gone weighs heavy on me and I know he would say Smile brother and so I do knowing Mike was my Friend.
Love you Bro. R.I.P.

“ I had the pleasure of meeting Mike a couple years ago. He was a very respectful and outgoing man with a smile that would light up a room. He had such passion to help those in need, especially the youth. There was such pride when speaking of the young men who he had the pleasure of guiding and seeing grow into adults.

Mike also cared deeply for his dogs, Aleric and Frieda. I recall watching him with his dogs at a near by dog park and loving on them while they ran around back and forth playing. He was a good man and friend, he will be forever missed.

“ *To all the family of Mike, please accept our condolences for your loss. Mike was a very nice and respectful person. It was his friendly personality that made everyone who got to know him, enjoy his company. It will leave a void in a lot of people's lives, but none more than you his immediate family. In this tough days, try to take a little comfort in knowing he is in a better place than we and he is still with you, only in a different form. Your memories will provide some comfort, but he will still touch you from time to time to let you know he is still with you. Cherish the memories and know that you will be rejoined in the same form some day. With sadness, The Fators*

“ To the Heitman family,
I am so sorry for your loss. Mike was in my home often during his teenage years. He was a good friend to my son, Chip. He always had a smile on his face and was very respectable. May your memories take you through this time of grief.

May you know that he will always be looking down at you and letting you know he is fine in heaven.
