Your dad's dreams have come true. He was the best and will be remembered for his compassion and belief in mankind. And also for his playful kind heart, especially with his family. “ *Words can not express my sorrow upon learning of Michael's untimely passing. When I was a very young child, Michael was my playmate and my first childhood friend. I will cherish the memories of our high school years , the comraderie of working together at Kroger during high school and the conversations we shared while commuting to college. Michael was a true friend, and I shall miss him greatly.*
