“ *My brother, I got the call I damn sure did not want to get. Always a good friend, you were taken much too early. Seems like forever since we last talked, my fault... things always seemed to get in the way of stopping by. I should of made more time. You will be missed by all who had the pleasure of meeting you. My heart-felt condolences to all the family and friends of Micheal. RIP brother.*

“ *We first met Mike through Donnie and Janice Eckhardt. I was a single mom who needed an honest and reliable mechanic for my old blue pick up truck. Mike was always there for me and could keep ole blue running despite whatever she had happen to her. We are both so sad to hear of his untimely death. There is a hole in our lives that will take forever to fill.*

“Mikey, I have such a hole in my heart that can never be filled. I miss you so much. You were our little brother and you were supposed to be here with us for many more years. We all had so much to look forward to. God must have needed you more than we did. Everytime I hear a bike or motorcyle I turn my head looking for you. My heart is broken thinking I will never see you ride up on your bike again. Here's a laugh.....it makes me want to get myself a Harley and become a biker mama. I want to feel what you felt when you rode. I miss you but I will see you again in heaven. Give our father and mother a big hug and kiss from me. I know you are with family and I can just picture the smile on Daddy's face when he held you again. Take care and watch over us. I love you!
Your sister,
Margie

“My deepest sympathy for the family. May the promises in the Holy Scriptures brings comfort to you. The Bible promises one day soon, “God will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore” - Revelation chapter 21 verses 3,4. We yearn for the day to see our dear loved ones again. Jesus promises, “the hour is coming in which all those in the memorial tombs will hear his voice and come out” - John chapter 5 verses 28, 29.

“ In all my life I have never met a man so genuine and free spirited as
you. Since I recieved the devistating call of you leaving us.....I have
been cold and numb and complete shock. Why does this happen to
good people who deserve to live and are so full of life. So many
people looked up to you and so many have been lucky enough to
have experieced your caring soul. You were the life of the party
and the one who would listen and actually care. You knew me when
I was a little weirdo teen, and yet never judged me but often
encouraged me to stay true to who I am. Thank you Uncle Mikey for
being here for me. I wish your family and friencs peace during this
time of grief. You are someone who will be truley missed and never
ever forgoton. I hope you are free from pain and with MiMi and
PaPa. Rejoiced in Jesus name....Amen
