“ My thoughts and prayers are with you and your precious family, LaVone. I know it has been a long battle that he bravely fought with your help and total support. He was such an honest and honorable man. And still it comes like a shock, there's always that hope for a miracle. Please know that if you want anyone to talk to, visit, just get away, I will be here for you, and you are constantly in my prayers during this time and the coming weeks and months. From sharing a cubicle with Mike at Texas Instruments and playing softball with Tony at shortstop and Mike in left field to working at Compaq for many years, he always had a positive, encouraging Christian spirit. “ I was saddened to hear of Mike's passing. We have seen each other just once or twice since high school but the memories are fond. I am encouraged by Psalm 116:15 that says "Precious in the sight of the Lord is the death of His saints." We trust God through Christ in all things and pray for peace and contentment for your entire family.

“ For all of Mike's Family,

No matter whether we are expecting a loss of any member of our family, or if it was an untimely surprise, the loss of a husband, father, grandfather, and loving example of goodness, hits us at one of the deepest levels in our hearts. Please know that we are all thinking of you, and take comfort in the thought that he is in a better place, an angel watching over all of his loved ones.

I knew Mike through Compaq and found his smile and encouraging attitude helped me through my early years in the facilities group. My heart goes out to all of you in your tremendous loss.

“ The Koupal family sends its deepest sympathy to the Novosad family at this time. We will miss Mike greatly. I had the pleasure of working with Mike at Jones Lang LaSalle in various capacities over the years. Mike was highly professional and the ultimate teammate. He was always positive, upbeat and easy to talk to. Mike was great at understanding clients needs and working to exceed their expectations. Additionally, Mike was instrumental in growing business for JLL - he was an outstanding colleague. I also found out that Mike attended the University of Illinois and being an alumni of a Big Ten school myself we had some good conversations and banter about the Iliini football and basketball teams. Mike was a great guy and we will miss him.

“ Our thoughts and prayers are with the Novosad family at this difficult time. Mike has been a dear friend to me for the past 18 years. When I think about Mike, I cannot picture him with anything but a smile on his face. Mike was always a positive force, no matter how challenging or adverse the situation. His optimistic outlook, constant encouragement and sense of humor have been a source of inspiration for me. Mike was truly a "high quality" person who made a difference in the lives that he touched. He set a high standard for us all. Until we see him again, there will be a missing piece in the lives of all who knew him.
